
Mowing Committee

The Big and Small Lake Dam's have common areas which require mowing. In an effort to save the Homes Association a lot of money, a majority of the home owners voted to implement a volunteer mowing committee. Greg Snodgrass is heading up this committee and creating the mowing schedule. He can be reached at 816.918.7627.

The plan is to mow about 30-35 times this year (dependent on weather). We had a number of home owners say they would volunteer at the annual meeting, so please contact Greg as soon as possible if you are available.

Darby Smith and Allen Dale have already volunteered to mow the small lake dam. In the event they are unable to mow the small dam, we will rely on the mowing committee to provide backups.

The steepest section of the hill on the small dam will be mowed periodically through a contract service, due to the liability involved with mowing that area.

Wanna help out around the neighborhood? We can use volunteers for the following:

- Architectural Comm.
- Cleanup Crew
- Hospitality & Event Planning

If you are willing to help out, please contact Sheila Dickey at 913.226.2627.

Neighborhood Garage Sale

Jamie Phipps has agreed to head up the 2016 garage sale, which will take place the weekend of May 20th. We will contact the Kearney Courier, Platte Clay Electric, and the Kearney Chamber of Commerce to advertise.

Several homeowners are also reaching out to surrounding neighborhoods to coordinate scheduling garage sales for the same weekend in an effort to increase traffic.

If you have any questions or would like to talk to Jamie about the event please contact her at yoda2313@yahoo.com. Jamie will post signs the week before the sale.

NEIGHBORHOOD DUMPSTER

Redgate Trash Disposal will be providing the spring dumpsters again this year. They will be placed in Scottie Circle from June 1 through June 8.

For more info on what can and cannot be put into the dumpster, please [visit our website](#).

SUMMER EVENTS

The July 4th Celebration will be at the Big Lake Common Area on Saturday, July 2nd. More details to come!

FREE ONLINE CLASSIFEDS

Be sure to place any of your ads on the [classifieds section](#) of the website. It's free & easy, and designed specifically for Twin Lakes residents.

Simply select the "Place an Ad" icon, pick your category - "For Sale", "Services" or "Wanted" items then follow the prompts. You can place an ad with or without images, and the information will be displayed on the site for one month.
