

HALLOWEEN PARTY

Saturday, October 29th

The 2016 Halloween party will be held on Saturday, October 29th at Scottie Circle.

Come in costume at 5:30pm, and bring your appetite for hotdogs and fixings! Decorate the trunk of your car for the "Trunk or Treat" ([Pinterest](#) is a great source of ideas for this). Twin Lakes provides the hotdogs, bottled water and hot cocoa. If you would like to bring a pot of chili or dessert, that would be appreciated. [Click Here](#) to signup for the potluck.

Twin Lakes CCR Reminder

We want to remind everyone that although we do have less stringent CCR's than many other subdivisions, we still have rules & regulations and it is good to be mindful of our neighbors. We all enjoy living in a tidy and peaceful neighborhood, and the CCR's are in place to protect everyone's investment in their properties.

If your neighbor appears to be falling behind in their upkeep, please reach out to the board - we are happy to see if any homeowner needs some assistance. Often times life can provide us a fuller plate than our schedule allows and we want you to know most of the time we can help out, or someone can.

TLHA CANINE COURTESY

Just a little request for those homeowners who have pets, specifically dogs. We understand that we are in the county and there are no leash laws in our neighborhood, but please be courteous of others when walking your dog.

Please pick up anything they may leave behind in a neighbors yard and keep them leashed when neighbors are walking by (especially if the dog has a tendency to nip at passerby's, even if it's friendly it can cause much stress upon the recipient getting nipped at - or possibly worse if the other person happens to be walking a dog).

Thank You!

Thanks to the Mowing Crew!

Mowing season is coming to an end and we want to send out a superb **THANK YOU** to all those who carried that burden this year. Specifically, Greg Snodgrass for managing to keep the big lake tidy through his efforts or rallying up the troops.

For the small lake, Darby Smith and Allen Dale did a great job. And we certainly won't go without mentioning Holly Smith occasionally tackling the small damn hill (with a push mower!) to get a good workout in while trimming the grass. To everyone who volunteered, we want you to know that your efforts do not go unnoticed and **Thank you** for the help in keeping out TLHA costs down this year!
